**Date:** 07 September 2023

**Project:** CII – India Plastics Pact (Design & Development of the Website)

S. No.	Discussion	Functional Action	Technical Action	Status	Priority	Timeline
A1	Colour variation is not required much					
A2	Branding should remain consistent as per the logo of the IPP					
A3	Four Targets (anybody who signs this pact is committing for this 4 targets)					
A4	Target of this Pact - FMCG Companies					
A5	Prominence of the Reports should be there as people are not able to reach out to the relevant reports					
A6	Classification of the Reports – keyword and classification/segregation of the reports should be proper – need an excel from CII IPP for their reports					
A7	TROOLOGY to submit a timeline for the Project					
A8	To demonstrate a Home Page layout of IPP in the first week
